Dear Parent/Guardian

### **Year 7 Teambuilding Day**

In order to help students to establish an identity with their form group and get to know other students therefore helping them settle into the school, we are pleased to invite each form group to take part in a “teambuilding day”.

This will take place on **Tuesday 13<sup>th</sup> September 2022** and will be on the school site. The day will be run by Wise Up Teambuilding and will specifically focus on the transition of boys to secondary school. **The Hub Challenge** incorporates over 30 different team building and problem solving tasks which the students tackle in groups, in a round robin style activity day. Some of the tasks are more physical, whilst others are more logical, which allows the different strengths of the members of the team to shine. Designed to inspire the students to plan, communicate, work together and motivate themselves and others throughout the day, the tasks encourage groups to self-reflect at regular intervals.

For further information take a look the Wise Up website for some great photos and videos of The Hub Challenge at <https://www.wiseup-teambuilding.co.uk/our-activities/outdoor-team-building-activities/outdoor-hub-challenge/>

The school recognises the importance of these activities and, as such, will subsidise part of the fee charged. We are, therefore, asking for a contribution of £10 per student. Please arrange to pay this amount via Wisepay (under the Pay Invoice tab) by **31<sup>st</sup> August 2022**.

If you have any queries regarding this event, please contact me here at the school.

Yours sincerely

Mrs A Sheppard  
Head of Year 7
