

Dear Parent or Guardian of Year 12&13 A Level DESIGN students,

The department has invested in digital content for the full curriculum for delivery in-lesson, but will not be purchasing access to the e-textbook for individual students this year.

We are writing to recommend the following support material for your son/daughter's A Level.

**'my revision notes' (AQA A-Level) DESIGN AND TECHNOLOGY Product Design, by Hodder**, is a perfect guide to the theory topics and has supporting exam style questions. We feel it would be a great investment. It is currently retailing at around £16 on Amazon. You may be able to purchase second hand.

For your information - the full textbook is also available; covering the same material in more detail - but it is twice the price - currently retailing at around £30 on Amazon.
