All of these items will be available to order using your Wisepay account (under the pay invoice tab). The calculator will be given out to all those boys who have ordered them during the first couple of weeks of term. The Designer pack will not be required until a little later and will be handed out at the start of Term 2.

### DESIGNER'S PACK

Each year we try to encourage students to have their own drawing equipment for their design lessons. This year we have put together a "Designer's Pack" which includes the equipment found to be the most useful.

The pack will be on display on Induction Day, and consists of:-

- A3 Project File
- A4 Sketchbook
- IsoSketch 3D Drawing Tool
- 2 x Fine-liner pens

Due to the numbers that we order, we are able to purchase the items at a very reasonable rate and can offer the pack at a reduced price of £12.75
