Simon Langton Grammar School for Boys, Langton Lane, Nackington Road, Canterbury, Kent CT4 7AS

June 2024

Dear Parent/Guardian

Year 7 Teambuilding Day

In order to help students to establish an identity with their form group and get to know other students therefore helping them settle into the school, we are pleased to invite each form group to take part in a “teambuilding day”.

This will take place on **Thursday 12th September 2024** and will be on the school site. The day will be run by Wise Up Teambuilding and will specifically focus on the transition of boys to secondary school. **The Hub Challenge** incorporates over 30 different team building and problem solving tasks which the students tackle in groups, in a round robin style activity day. Some of the tasks are more physical, whilst others are more logical, which allows the different strengths of the members of the team to shine. Designed to inspire the students to plan, communicate, work together and motivate themselves and others throughout the day, the tasks encourage groups to self-reflect at regular intervals. The students will take part in the various challenges during the morning and will spend the afternoon with their form tutor completing other activities, which will build upon the team skills learnt earlier in the day.

For further information, take a look at the Wise Up website for some great photos and videos of The Hub Challenge at <https://www.wiseup-teambuilding.co.uk/our-activities/outdoor-team-building-activities/outdoor-hub-challenge/>

The cost per student is £12.00. Please arrange to pay this amount via WisePAY (under the Pay Invoice tab) by **31st August 2024**. **Please note, this is non-refundable.**

If you have any queries regarding this event, please contact me here at the school.

Yours sincerely

Mrs A Sheppard
Head of Year 7
