SOCS School Sports Management Portal

Dear Parent / Guardian,

I am writing to you to inform you that the school has invested in the SOCS School Sports Management Portal to organise all of our extracurricular sports. This will provide you with up to date information about fixtures and selection, and hopefully help aid the planning of your family logistics.

From now on all fixtures and team sheets can be found online by accessing this link;

Sports Fixtures on SOCS and Security

All fixtures and team sheets can be found online by accessing this link <https://sport.thelangton.org.uk> All team sheets are password protected and can be accessed by using the password: langtonsport. From the Sports Calendar you can also click directly through to a team's Fixtures & Results listing by clicking the Team's Name. e.g. click on the "Boys-U13A". The following suggestions should help you navigate SOCS:

- You can see the team selected for the fixture wherever you see an image of a blue person. Normally we announce team selections at least the day before and in some cases 48 hours before.
- You can either navigate to our Sports Calendar via the main menu, and then select the day you are interested in and then click the Details link. This shows the venue and if we're playing away will have a link to the location map of our opponent's school.
- From the Sports Calendar you can also click directly through to a team's Fixtures & Results listing by clicking the Team's Name. e.g. click on the "Boys-U13A".
- If you are following a particular team or teams you can also select Sports & Teams Fixtures & Results from the main menu. Then select a particular sport and your team to see past results and upcoming fixtures.
- From any team's Fixtures & Results listings you can also download the entire fixture list to your personal calendar on your PC or mobile device.
- If you need to quickly find an away venue for one of our opponents you can either choose the map link directly from a fixture, available via the Details button as described above, or you can select Opponent Maps & Links from the main menu.

I hope this helps to keep you informed, and we look forward to another successful term of competitive sport for all our students here at Langton Boys.

Kind Regards
Mr Paul Lyttle
