

Guy Banyard

I live less than a mile from the school and have been based in Canterbury for over 20 years. I run my own counselling business in the local area. Previously I worked in the education sector as a teacher at a boys' grammar school in Kent, and also in the comprehensive sector, bringing extensive educational experience to the governing board. I am a trustee of Dover and District Citizens Advice Bureau and also volunteer with the Young Lives Foundation. I was a Samaritan for over 10 years, with three of those years as director of the local branch. In addition, my commitment to volunteer work is shown through involvement in various charities, focusing on mental health, youth and the vulnerable, bringing an additional perspective to the governing board.
