# READING PASSPORT

16 BOOKS BEFORE 16

NAME:

'16 before 16' is our reading competition for all our pupils up until the end of Year 11.

Challenge yourself to read sixteen of the selected books before you turn 16!

To participate in this competition, read and review 16 (or more) books from our school Library to earn merits, and enter into a price draw!

Simply pick up a reading pass and a book from the selection from your English teacher or from the library. The reading pass is designed to complete a short review of each book and also to enable parents to add your signature to verify that they have completed the text.

You will need to write a one-page review on each finished book. You are encouraged to read at your own pace and to then show your English teacher or Librarian your review in order to be awarded merits.

There are many options, including non-fiction, graphic novels, dyslexia-friendly, classics and coming of age novels.

As the passport progresses, the texts become more complex.

Good luck and happy reading!
